

Ballongresan

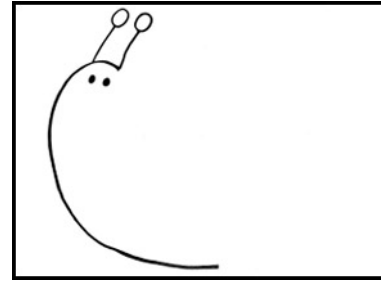

Det här är Linn och Ida

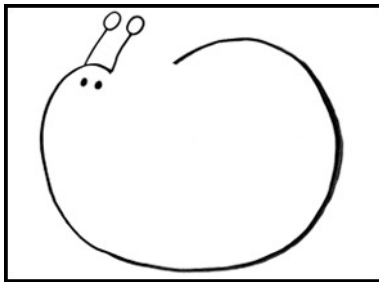

De har fått varsin ballong.

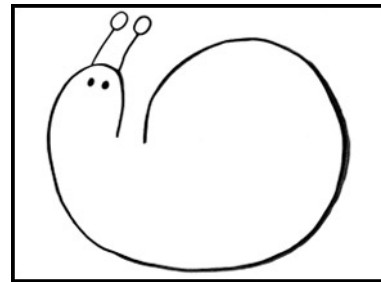

Ballongerna flyger fint i luften.

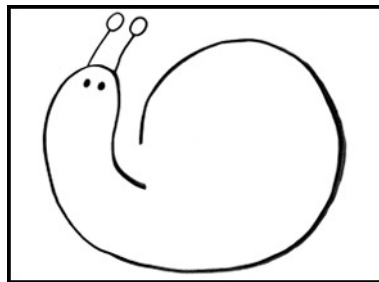

Plötsligt tar en kraftig vindpust tag
i Idas ballong

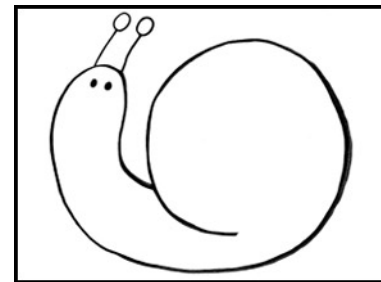

Ballongen far iväg...

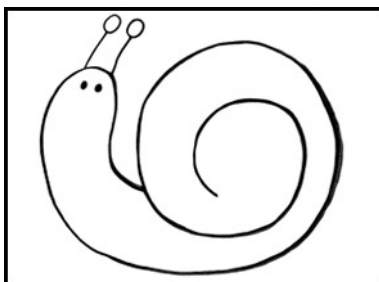

och Ida springer efter, men just som hon
ska ta tag i den

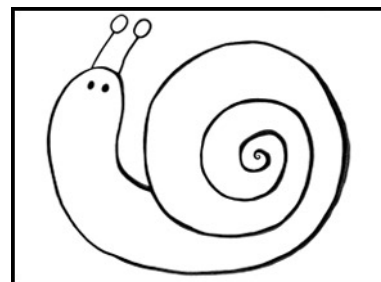

snubblar hon

och ballongen stiger...

och försvinner upp i himlen.

Ser du vem Ida snubblade över?
